Eboard Report:
The eboard considered two actions having to do with banning members.

First: There was an incident at Arisia 2013 where an Arisia volunteer was found drunk and unresponsive in function space. When he was woken he became combative. There was an additional report of this volunteer harassing another volunteer. The Eboard has investigated these reports and come to the following decision.

__ is banned from attending all Arisia events through the end of 2014 including Arisia 2014 and Relaxacon 2014. If he returns to Arisia after that we would need an emergency contact phone number for him. He is not allowed to work on Arisia in any form for 2015.

If he wants to volunteer on Arisia after that, he would first need to attend for one year to prove he can attend Arisia without problems. He would also need to have a volunteer position lined up in advance and agreed to by the Area Head in charge as well as a letter from a doctor saying he was capable of performing that position. We reserve the right to require additional restrictions before he be allowed to volunteer for Arisia again.

Secondly: there were incidents at Arisia 2011 where an Arisia Staff Member was harassing other Staff Members including in Staff Den. The Eboard was recently asked to re-investigate these incidents in light of our new policy on banning people from Arisia.

Our decision is that __ be banned from working on Arisia in 2014 and future years. After Arisia 2014, he is welcome to ask the EBoard to change this decision if: he apologizes for his actions at Arisia 2011, he has a position lined up and agreed to pre-con by the area-head responsible, and he presents a letter from a doctor saying he is capable of volunteering for that position.

At the last meeting the eboard was asked to consider dates for the November corporate meeting. We were not able to come to a consensus. We believe that people don't want many Sunday meetings in a row. We would like to see a show of hands as to who prefers Tuesday, November 19 (9), who prefers Thursday, November 21 (5), and who prefers another date (0). MP many-1 to set the date of the November meeting to be Tuesday the 19th. We will look for a venue, likely NESFA.

The eboard voted to lend TVs to NESFA for their gaming con. They are back in storage.
The eboard voted to approve three dues waivers. If people need dues waivers, they should ask the eboard.
The eboard voted to sign a contract with Operation Hammond. The eboard voted to lend a coffee percolator to the Boston Branch of the Royal Scottish Country Dance Society, a 501c7 non-profit organization.

Jacob Lefton has asked for more money for the mailings for the Student Art and Student Writing contests, which Rick will bring up in new business.

President: Ed Council found some old U-matic tapes from Arisia 1991 and 1992 and we are working on getting them transferred to a currently usable medium. Dues are due; if you haven't paid you can pay now. Arisia is down at least one and possibly two charge machines at the moment. Skip and I are working on this and there will be a motion out of new business to buy at least one new charge machine.

Vice President: I have enjoyed being Vice President very much. It was many things I was not expecting. [ed: my apologies to Conor for failing to catch much of this speech.]

Clerk: no report.

Treasurer: we paid for insurance for another year. I have lost and found from the Div Heads meeting.

A13: no report.

A13 Treasury: I have been incredibly lame and do not have the books closed. I will be working on this Monday and Wednesday of this week.

A14: we have a bunch of concom meetings coming up. We have a div head meeting on October 9 at Akamai, RSVPs required. Conor has found a potential new assistant division head. We seem to be on track. We have flyers to give out at your local library or bookstore. I met our Author Guest and introduced her to her GoH liaison. She's very nice and delighted to be our GoH.

A14 Treasury: no report.

A15: no report.

Budget Committee (Ben Levy): will be meeting to do the audit for the corporate books at the end of October. [Rachel K-G will lead the audit.]

CIC (Rick Kovalcik): a bunch of stuff went to Worldcon in Texas. Everything that should have returned did. Storage is somewhat emptier than it was before, but there is some stuff for London and some personally owned gear. All of the light strands are at NESFA being improved by Dale Farmer who has been authorized to spend up to $200 to fix them. We lost two lightbulbs which have been replaced. There is some discussion of exactly what needs to happen to the strands.

Peter O is looking for a good time to do some work in Arisia storage. There is some discussion of when and how he should do this.

Honors: no report.

Hotel Search: no report

IT: no report
Ad Hoc Meeting Space: no report

Relaxacon: Reservations are open until at least Columbus Day so now is a good time to book a hotel room [by calling 1-800-345-5140 or 1-508-398-2279] and you can also buy your membership online [at www.relaxacon.org].

Comps: No report.

Student Art Contest (Rick): MPU to increase the Student Art Contest budget by $50 for mailing expense.

Student Writing Contest (Terry): Jacob has agreed to put out a paper mailing for the Student Writing Contest. MPU to increase the SWC mailing budget from $200 to $850, increasing the overall budget from $1000 to $1650.

Grant Committee: We have two grants in the pipe, neither of which we will be voting on today. One is from Neon Galaxy and we are not ready to make a determination on it at this time. M (Snyder, Vandenberg) to table to the October meeting FAILS. The other is from DarkoverCon in Maryland whose organizer died recently, resulting in $5000 disappearing into her estate never to be seen again.

M (Latzko, Olzowka) to approve the grant to Neon Galaxy FAILS (4-many).

We will be bringing the Darkover grant next month.

Old Business:

M to amend Corporate Policy, Convention Policies section XIV, to replace "The decision is binding on future events because of actions at or involving the current year's convention is up to the Convention Chair or their designee" with "If the Membership wishes to overturn this decision of the EBoard under bylaw 4.4, a motion to do so shall be in order only during New Business of the corporate meeting at which this decision is reported or the corporate meeting immediately after. After that, the decision is binding on future events but may be appealed to the EBoard after at least one year."

MPSU to amend Corporate Policy, Convention Policies section XIV, to replace "Revocation of membership because of actions not involving the current year's convention should always use this process" after the word "Designee".

MS (Hertel, Latzko) to allocate $1000 to buy four new matching charge machines. MS (Walsh, Olzowka) to refer to eboard FAILS 9-17. Main motion PASSES many-1.

MSP (Vandenberg, Olzowka) to set the default time and place of the Arisia Corporate meeting to the third Sunday of the month at 2pm as close to MIT building 66 as possible.

MSP many-1 (Shectman, chorus) to set the December meeting time and location to 4pm at the Westin [leaving it on the third Sunday, which is the 15th].

Announcements:

The next Readercon meeting is 10/27 at 1pm at MIT. Crystal writes future Readercon meeting dates on the board.

Lisa Hertel and Mary Dumas are having an open studio next weekend [October 5th and 6th]in Lowell.

If you're heading up to Lowell that Saturday [October 5th], hobbit is having an energy related open house.

For people who like stuff, the Church of the Good Shepherd in Watertown is having a yard sale next Saturday [October 5th] and Suli is in charge of the bake sale. Donations of stuff happily accepted on Thursday and Friday.

JOFcon will be March 28-30, 2014 in Washington, DC.

Conor will be calling a brief meeting of the new eboard after this meeting ends. If you are interested in being on a committee please talk to him.

Persis' father lives, or rather lived, in Jamestown CO and has been airlifted to Longmont. She has a car to get home from there. Things are pretty tough and there are a lot of displaced people out there.

PiCon 2014 has dates! The last weekend in June, the 27th-29th, 2014.

The Darkover people say "Thank you thank you thank you".

Crystal has a small number of 3X-5X Helsinki in 2015 T-shirts to be distributed to the fannish community.

Meeting adjourned at approximately 4:16 pm.
