## Minutes of the EBoard Meeting 03 July 2001

The EBoard met at 8:00 at the ARENA Annex on Tufts Campus.

The EBoard briefly touched upon the ideas behind controls on spending.

Storage: We need it. There are two schools of thought: 1) big floorspace means lots of mess and disorganization, we can get small and cheap in outlying areas and this is storage, not an office; and 2) we need space to lay out projects, because of this, we need to stay local to the plurality of volunteers, and it is handy to have a central place to store things like mail. The EBoard notes that smaller space may be good; and there is a possibility that as some subletters leave the current building, that this may be a kick in the butt to the landlords to come to an acceptable arrangement with us. No definitive decision was reached at this meeting.

Regarding pending motions to amend the bylaws of ARISIA, Incorporated:

Motion numbered 4, no comment or recommendation.

Motion numbered 5, The EBoard is split, and has no recommendation. Skip will consult the Lawyer regarding a legal minimum age for membership.

Motion numbered 6, The EBoard has no recommendation.

Motion numbered 7, the EBoard remands the motion to its maker for rewording.

Motion numbered 8, the EBoard reports positively.

Motion numbered 9, the EBoard has no recommendation.

We still need to schedule ConChair Candidate interviews.

- **Minutes of the Previous Meeting**

No corrections to the Minutes of Previous Meetings were made.

- **President's Report** (Brendan Quinn)

Upon petition of a member of ARISIA, Incorporated, I have been requested to verify the signatures on the first three proposed amendments to the ByLaws of ARISIA, Incorporated. We will now consult with the membership at large and the Clerk and figure out whose signatures are on the forms. Five of six signatures on each of the first two Motions to amend the ByLaws are legible, and therefore do not need further clarification. The following signatures are on the submitted text of the third motion to amend the ByLaws: Cris Shuldiner, Rachel Silber, Sheeri Kritzer, Michelle McGuire, Lisa Hertel.

The EBoard met and talked a lot about stuff reported elsewhere.
- **Vice President's Report** (Nicholas Sheckman)

No Report.
- **Budget Committee Report** (Skip Morris)  
No Report.
- **Clerk's Report** (Tom Murphy)  
The Clerk ran through his usual spiel about signing in; that reports and motions should be submitted in writing or suffer the possibility of transcription errors; that major items of new business be presented to the EBoard for consideration before presentation to the Membership; and that dues for joining the Corporation were \$4 at this meeting and \$2 thereafter.
- **Convention Chair '01** (Elka Tovah Menkes)

## A Grant Proposal

Gaylactic Network Presence at Millennium Philcon Worldcon 2001

The Gaylactic Network plans to host a gay fandom suite for 3 days during Worldcon. This will provide a safe, fun atmosphere for gay fans to meet other gay fans, learn about the Network's affiliates and the Spectrum Awards and to provide the Network leadership with feedback on what gay fandom would like to see from the Network.

Since the Network will not be sponsoring a Gaylaxicon this year (the only GLBT sci-fi/fantasy/horror convention for and by fans), we are hosting the Spectrum Award ceremony during Worldcon in Philadelphia. To allow time for fans to mingle with Spectrum Award winners, the Network will host a reception after the Spectrum Awards ceremony to honor this year's and past winners and nominees. Worldcon will be THE event for Gay fandom this year, as the Network is not hosting a Gaylaxicon in 2001.

The Network's representatives have also offered advice to the Worldcon 2001 Programming Committee on GLBT programming. Our representatives have suggested panels and provided names of professionals that would serve as quality panelists. The Gay Fandom suite serves as a "green room" for gay authors and artists. It also allows them to talk with gay fans, receive feedback on their work, and sign autographs, and it allows gay fandom to show appreciation for their work.

### Timeline:

Winter 2001 – Worldcon Liaison and Spectrum Award administrator join Worldcon Programming committee to encourage GLBT programming and to provide location and time for Spectrum Awards

April – Request Suite

June – Reserve full-page ad in program book  
Confirmation of Suite from Marriott

Advertise the Worldcon Gay Fandom suite on various Network email lists

Remainder of summer – prepare flyers about clubs for suite  
Update Gaylactic Network Tri-Folds  
Prepare debut of a Gaylactic Network PDF newsletter  
Prepare themes for each night of suite  
Prepare menus for each night  
Prepare for reception – food and flyers  
Prepare program of interest for GLBT attendees  
Invite gay press to Spectrum Award reception

Aug 31 – Sept 2 Gay Fandom Suite during Worldcon!!

**Applicant name:** The Gaylactic Network (<http://www.gaylactic-network.org>)

**Applicant name also known as:** The Gaylaxians

**Address:** PO Box 127, Brookline, MA 02146

**Chairperson & Executive Director:** Carl Cipra, Speaker

**Project contact:** Jed Shumsky, Treasurer & Worldcon Liaison

**Daytime telephone:** (215) 951-6562 email: shumsky@drexel.edu

**Summarize the mission of your organization:**

- To promote science fiction, fantasy, and horror, and other related genres (SF/F/H) in all forms, with particular attention to materials of interest to Gay/Lesbian/Bisexual/Transgendered (GLBT) people.
- To provide forums for GLBT people and their friends to share their interest in SF/F/H.
- To promote the presence of GLBT elements within SF/F/H and within fandom.

**Last fiscal year total income:** \$80 from Affiliate dues

**Last fiscal year total expenses:** \$54 for PO Box and \$1000 loan to Gaylaxicon 2000, which operated at a loss.

**Project Information**

- Title of project: Gay Fandom Suite & Spectrum Awards Reception
- Summary of proposed project: To provide a safe, welcoming space for gay fandom for 3 nights (Friday, Saturday and Sunday) during the Millennium Philcon, Aug 31 – Sept 3. The Suite will be used to host a place for gay fandom to play games, meet other gay fans, learn about the Gaylactic Network and its 6 affiliate clubs and to promote the Gaylactic Network Spectrum Awards – awards to honor works in science fiction, fantasy and horror which include positive explorations of gay, lesbian, bisexual or transgendered characters, themes, or issues. We will distribute a GLBT “pocket” flyer listing Worldcon and Network-provided GLBT programming of interest for Worldcon attendees in the Gay Fandom Suite. The Network has invited several professional authors who have not been selected for the Worldcon program to do readings in the Gay Fandom Suite. Spectrum Award winner Keith Hartman and Gaylaxicon attendee Laura Underwood have already accepted our invitation. Times of these readings will be added to the “pocket” flyer so all GLBT programming is highlighted for those interested.
- Project start date: Aug 31
- Project end date: Sept 3
- Number of individuals’ directly participating in/benefiting from this project: This is a difficult number to estimate: Approximately 55 people have been nominated for the 2001 Spectrum Awards. [www.lambdasf.org/spectrum](http://www.lambdasf.org/spectrum) There are 3 categories awarded and last year we did have ties – therefore approximately 3 – 6 people would be awarded the Spectrum Award. The Spectrum Award reception will include all 2001 nominees and winners in attendance at Worldcon and we are inviting all previous Spectrum Award Winners and nominees – approximately 98 unique authors, comic book artists and web authors. These counts do not include nominated TV shows and movies as it has proved difficult to reach writers and directors to notify/invite them when they win. The Network currently consists of 6 affiliate clubs, which collectively have approximately 200 members, and attendance at Worldcon is estimated at approximately 20% for each club. We are currently working with the Atlanta OutWorlders, a year-old club that resulted from a Network-hosted gay fandom party at Dragoncon 2000. Network Representatives attended Dragoncon to host a network room party, gather names and email addresses for the various network mailing lists and to advertise and collect email addresses for Gaylaxicon 2000, the convention we were hosting in the fall of 2000. During the room party a fan that had been attempting to connect with other gay fandom in the Atlanta area, but had had little success approached us about doing some networking. We shared, with party attendees’ permission, our collection of local email addresses with this fan and the OutWorlders were born. The OutWorlders has been highly successful – in one year they have hosted events almost weekly and manned a booth at Atlanta Pride Day for 3 days – selling Science Fiction books for a local Sci-Fi book store. The OutWorlders have 149+ people on their mailing lists and their leadership has requested to join the Network. Gay Fandom Parties at conventions like Worldcon can result in such success stories. There is no way to estimate the likelihood of this type of success. Our last two Gaylaxicon conventions attracted 250 – 300 people – and if you believe the GLBT adage that 10% of the population is G/L then we could approximate 300 Worldcon members, which may find our message and activities of interest. (According to the Worldcon Website they estimate 3000 attendance this year.) Our fan suite during the Baltimore Worldcon in 1998 had 100+ people visit the room. We anticipate more to visit because of the Spectrum Awards. We will be advertising our Suite in the Program book (something we’ve not done before) so all 3000 Worldcon attendees will be notified of our events. We will also be advertising to our various mailing lists – which total 750 members (some duplication.)

Signed,

Carl Cipra, Speaker of the Gaylactic Network

## Directions to the Tufts Arena Annex also known as "the little red shack"

### Parking:

Parking can be a problem - there is some public parking on Talbot, Latin Way and more on Professors' Row (parallel to Talbot even closer to Medford) at the tennis courts. That has always worked for me in a pinch. There is also a parking garage - up at/over the top of the hill, but I have never used it so can't give much info.

### From points west:

Take Route 90 East to Route 95/128 North. Take the exit for Route 2 EAST and go for 6.5 miles. Bear left at sign reading "US-3 N / RT-16 E to Medford" and go for 500 feet. Follow the signs for Alewife Brook Pky, RT-16 and go for 0.8 miles. Turn right on Broadway, through Teele Square and to the Powderhouse Rotary. Enter the Rotary, and go around, taking the 4<sup>th</sup> right onto College Avenue. Follow directions below.

### From points north:

Take I-93 South to exit 31, Route 16 East, towards Revere. Route 16 will intersect with Harvard St. Make a right onto Harvard St. Harvard Street will turn into Warner Street, which goes into Powderhouse Rotary. Take the 1st exit off the rotary to College Ave. Follow directions below.

Turn left on Harvard St and go for 0.6 miles. Harvard Street turns into Warner St for 0.2 miles. Turn right on Powderhouse Square and take the first right onto College Avenue, towards Medford. Follow directions below.

### From Davis Square and Powderhouse Rotary, walking, biking, or driving:

Go up College Ave. At Powderhouse Rotary, stay on College Ave (it's the 3rd exit off the rotary, and the soccer field should be on your left). Take a left onto Talbot Ave. At the end of the street, to the right, is the Campus Center, a brick building. On your left, directly across from that, is the Chemistry building. The Annex is the little red shack behind the Chemistry building. Note: There is a little red shack right next to the Chemistry building. This has signs on it that say "Do Not Enter". This is not the Arena Annex.
